The Winder GP14 is moulded from epoxy foam sandwich using the same material and building techniques as used for Championship winning Fireballs, Merlin Rockets and National 12s.

The boat is fitted to our Allen Brothers Championship specification, complete with Selden spars, Dacron P&B sails, Milanes centreboard and fixed rudder. It has through deck jib sheeting, continuous kicker, and comes measured and race prepared. Upgrades to Harken fit out and our new laminate sail are available.

Complete boat ready to sail £8995

The Boat

buy online at www.pinbax.com

Mainsail

Our standard mainsail design constructed in Contender 3.8oz Polykote sailcloth, is easy to adapt to a wide range of wind and water conditions. It incorporates an easily adjusted lens foot to provide extra power downwind. Our advanced design radial clew patch makes the sail more stable upwind. The mainsail comes complete with insignia, racing numbers, glass battens, class label and long sail bag.

£574.56

Laminate Mainsail

The P&B laminate GP14 Mainsail is constructed using Dimension OD04 Technora laminate cloth. It features a radial base and head to eliminate distortion and is glued together using Ultra bond adhesive to avoid seam creep. All sails are complete with a radial clew and head patches, ball-bearing cunningham block, friction free clew slide, leech tell tales, insignia, racing numbers and long sail bag.

£685.00

Genoa

This sail is manufactured from Contender 4.46oz Polykote, slightly heavier cloth than the mainsail, to give a longer competitive life. Genoas come complete with a hydraulically pressed clew eyelet, window, class label and tell tales.

£310.80

Genoa Midi

Constructed in Contender 4.46oz Polykote and cut 16" shorter in the foot and 5" shorter in the leech than the standard Genoa, this sail is ideal for lightweight crews, making tacking and sheeting-in easier.

£244.48

Cruising Jib

The Cruising jib constructed in Contender 5.9oz Polyreg sailcloth with bag and tell tales. Excellent for learning and cruising, this sail is designed to be easy to handle and long lasting.

£178.60

Spinnaker

The spinnaker is made from either Contender Dyalite 0.9oz in a choice of colours, or Bainbridge Airx 620ns available in red, white or blue. The spinnaker comes complete with bag and class label.

£329.00
